<https://www.dhs.wisconsin.gov/adrc/consumer/calumet.htm>

I got vaccinated because...

After receiving my second dose of the vaccine, I had the best feeling I've had in some time. Now, I feel comfortable going out in public and spending time with my family and I don't worry about catching the virus. Things aren't back to normal yet, but if we all get the vaccine, we will get there quicker.

—Mike Wade, CEO,
Central Wisconsin
Electric Cooperative
